SENATOR V. JOHNSON: All in favor of the adoption of the E & R amendments to LB 125 signify by saying aye. Carried. Are there any amendments to LB 125, Mr. Clerk?

CLERK: Mr. President, the first amendment I have is offered by Senator Beutler. Senator Beutler would move to amend the bill...(Read the Beutler amendment as found on page 995 of the Legislative Journal.)

SENATOR V. JOHNSON: Senator Beutler, you are recognized for purposes of your amendment.

SENATOR BEUTLER: Mr. Speaker and members of the Legislature, this is a friendly amendment in the sense that Senator VonMinden has no objection to the amendment, and it is designed to merely make this bill consistent with LB 421 dealing with the issuance of bonds by municipalities and in that bill we provided with the consent of the League of Municipalities, or at their request actually, that bonds could be sold for less than their par value, that that would be the general rule, and to make this bill consistent with that bill I am simply striking the language that says that bonds shall not be sold for less than their par value. That is the entirety of the amendment. Thank you.
